

American Charitable Watersport Activities Foundation

Donation Form

The “American Charitable Watersport Activities Foundation” (ACWA) was established by SCUBA divers on March 31, 2023. ACWA is recognized by the IRS as a 501(c)(3) public non-profit charity that is staffed by non-paid volunteers. There are no “administrative” charges.

ACWA has two donation options for individuals or companies – as a “Donner” or as a “Target Donner”.

Donation made as a “Donner” – A payment made to ACWA to support ACWA’s charity program.

Donation made as a “Target Donation” – A payment made to ACWA with instructions for ACWA to adjust its current charity program. “Target Donations” are reviewed by ACWA prior to their acceptance - to ensure that their target is in compliance with ACWA’s 501(c)(3) scope and objectives.
